Rep. Mike Jones, Jr.
District 92
Alabama State House
11 South Union, Suite 419
Montgomery, AL 36130-2950

Dear Representative Jones:

In your letter of June 7, 2016, you informed me that the work of the House Judiciary Committee and the investigative work of my office might intersect with certain issues and witnesses. I appreciate your willingness to efficiently and effectively communicate with my office.

At this time, I believe it would be prudent and beneficial to delay the work of the House Judiciary Committee. I respectfully request that the Committee cease active interviews and investigation until I am able to report to you that the necessary related work of my office has been completed. My staff will continue to coordinate with the Special Counsel for the Committee, Jack Sharman, as necessary and appropriate.

Thank you for your time and consideration.

Sincerely,

Luther Strange
